## **CHRISTINA HENDRICKS**

Christina Hendricks began her career as the opportunistic, career climbing intern on Showtime's "Beggars and Choosers" before segueing into a production deal with John Wells Productions in which she did numerous shows including, "The Big Time" on TNT, "ER" for NBC (recurring role) and "The Court" on ABC opposite Sally Field.

She can currently be seen as Joan Holloway on AMC's "Mad Men" opposite John Hamm and January Jones. "Mad Men" won the 2008 and 2009 Emmy Award for outstanding drama series, the 2009 Golden Globe for Best Television Series – Drama, and the 2009 Screen Actors Guild Awards for Outstanding Performance by an Ensemble in a Drama Series. She will begin shooting the fourth season of "Mad Men" this winter.

Christina recently wrapped production on the Warner Brothers film *Life As We Know It* in which she stars opposite Katherine Heigl and Josh Duhamel. The story depicts two single adults who take in an orphaned girl when their mutual best friends die. The film is slated for release in December, 2010.

Additionally, she recently wrapped Hyde Park Films' independent drama *Leoni* alongside Emily Mortimer. *Leonie* is based on the real life story of Leonie Gilmour (1872 – 1933), mother of sculptor/designer Isamu Noguchi. In the film, Hendricks will portray 'Catherine,' Leonie's lifelong friend. The film was directed by Hisako Matsui and can be seen in 2010.

Hendricks has also been seen starring in "Kevin Hill" on UPN opposite Taye Diggs. Her many television guest appearances include "Without a Trace", "Cold Case," and recurring roles on Joss Whedon's "Firefly," "Notes From the Underbelly," and "Life." Hendricks' film credits include the dramas *La Cucina*, *South of Pico*, and the recently completed *Driving Lessons* with Dermot Mulroney and Hope Davis.

Christina currently resides in Los Angeles.
